

TEAM EDITION

The **SAFETY MANAGEMENT SUITE** multi-user platform is an all-in-one resource that provides complete access to J. J. Keller's most popular safety management tools and enhanced oversight capabilities, making it easy for larger organizations to develop and maintain a full-service safety program across one or multiple locations.

KEY PERFORMANCE FEATURES:

✓ ADVANCED DATA SHARING CAPABILITIES

- Strategically control what data is visible and shareable by users with data grouping (creating groups within your company's hierarchy)

✓ COMPLETE FEATURE ACCESS CONTROL

- Remove/hide features (resources and tools) so they aren't visible to individual users or the entire organization

✓ FLEXIBLE USER MANAGEMENT OPTIONS

- Designate multiple administrators (in one or more groups)
- Set roles and permissions defining access across your organization

✓ PREMIUM IMPLEMENTATION SERVICES

- Promote ongoing compliance with up to 2 user-training sessions
- Safeguard critical company info with complimentary data onboarding of up to 2 heavily-utilized areas
- API options available at no charge (transfer key company data across platforms)

ESSENTIAL TOOLS & RESOURCES:

✓ INCIDENT MANAGEMENT

- Track recordable and non-recordable incidents including first aid and near misses
- Autogenerate regulatory documents (OSHA 300, 300A, 301)
- Assign, monitor, and manage corrective actions

✓ AUDITS & INSPECTIONS

- 100+ inspection checklists
- Assign, self-assign, and schedule upcoming audits and inspections
- Attach images, links, notes and other info to your records

✓ SAFETY PLANS

- 125+ pre-written safety plan templates for OSHA, EPA, and DOT
- Upload existing plans and policies
- Share plans, policies, and templates

✓ TRAINING

- 500 free annual online training enrollments
- 300+ streaming training videos
- 6,400+ ready-to-use classroom training assets (PowerPoint presentations, 5-minute safety talks, and more)

✓ CHEMICAL MANAGEMENT

- Chemical cross-reference
- Unlimited SDS access
- GHS-compliant label generator
- Extensive SDS offerings
- Flexible recordkeeping capabilities

✓ REGULATIONS

- Up-to-date CFRs
- Proposed rules
- Statutes
- J. J. Keller® ez Explanations

✓ ADDITIONAL RESOURCES:

- Expert Help
- Industry News & Regulatory Updates
- Safety Discussion Boards
- Monthly Webcasts
